About Mapúa Malayan Colleges Mindanao

Mapúa Malayan Colleges Mindanao is a premier institution in Davao City, extending the academic excellence of Mapúa University. It offers Junior High, Senior High School, and College programs, dedicated to developing next generation innovative and globally competitive leaders.

About the Immersion

This one-week inbound program combines cultural heritage, environmental exploration, and academic engagement. Participants will experience local traditions, biodiversity, and community life through activities fostering global perspectives and at the get go learning beyond the four corners of a classroom.
