## ECO – TREKS ECUADOR

Eco-Treks UIDE is a unique experience that invites you to discover Ecuador in a sustainable and authentic way. This program combines academic courses on the Sustainable Development Goals (SDGs) with personalized trips to iconic destinations in the country, giving you the opportunity to learn, explore, and live an unforgettable intercultural experience.

### Program Details:

- **Legends and Latitude:** Quito – Middle of the World | 5 days (mandatory)

Combine your immersion in Quito with one or more of the following experiences:

- **Earth "From seed to plate":** Cayambe - Otavalo | 1 day
- **Fire "Natural Wonders and Green Practices":** Baños | 2 days
- **Water "Eco-Adventure Awaits":** Galapagos | 5 days
- **Air "Ancestral Wisdom":** Cuyabeno | 5 days

### Features:

- **Academic Courses:** Learn from experts on key sustainability topics and strengthen your intercultural skills.

- **Personalized Travel:** Design your own itinerary departing from "Legends and Latitudes" (Quito) and explore the most emblematic places of Ecuador.

- **Immersive Experience:** Live closely with Ecuadorian culture and meet local communities.

- **Flexibility:** The program is available year-round upon request, adapting to your needs.

### Requirements:

- **Be a university student:** The program is primarily aimed at foreign university students interested in sustainability and travel.

- **Availability:** You must be available to travel during the selected period.

- **Interest in culture and nature:** A genuine interest in learning about Ecuadorian culture and nature conservation is essential.

## Advantages:

- **Meaningful Learning:** Combines theory and practice for deeper, lasting learning.

- **Personal Development:** Strengthen your leadership, teamwork, and cultural adaptability skills.

- **Unique Experience:** Live an unforgettable adventure in one of the most biodiverse countries in the world.

- **Networking:** Meet students from different countries and build lasting relationships.

## Cost:

Costs vary based on the date and number of attendees. Create your custom experience, and we'll tailor a budget to fit your needs.
